

# Summer Newsletter 2025

## **First Holy Communion**

Congratulations to Jayden (Class 2) and Jonah (Class 3) on receiving the sacrament of First Holy Communion on the 14th of May. It was such a special day and our two students looked so dapper!

## **Graduation**

We are so proud of our two young adults—Ethan and Christopher who are graduated on the 16th of June. We wish them all the best as they transition to adult services.

## **Wellbeing Week**

All of our students really enjoyed our Wellbeing Week. We continue to prioritise our student's wellbeing and our choice boards of wellbeing activities are still available in all classrooms.

## **Junior Cycle – Level 1 Learning Programme**

Congratulations to our 10 students who have completed their Junior Cycle Level 1 Learning Programme this June. They are our first group of students who will receive accreditation for their Junior Cycle achievements and we look forward to presenting them with their certificates in the near future. Well done Aoibhe, Amelia, Hadia, Christopher, Ethan, Keith, Ann-Marie, Sinead, Caoimhe and Patrick.

We are thrilled to have purchased two larger sized trikes for our school thanks to fund-raising donations made to our school in 2024.

# Creativity flowing

St Oliver's Special School came together with Trinity P.S and Kilbannon N.S and created a wonderful celebration of the children's collaborative work in a Lantern Art Exhibition on May 20th. Here are some of the amazing pieces displayed:

Our school has been awarded the very sought after Creative Places Tuam Cultural Growth Fund. We have chosen to work with Hande from Sugradh le Cheile. Hande has visited the school a number of times and has created fabulous thematic sensory and light workshops with all of our students.

Phillida Eaves and Rosan visited the school with the hugely successful Antarctica show for a week in June. Some of our senior children became their helpers and helped Phillida and her team to present the show to our visitors from Kilbannon N.S and Trinity P.S.
